Many adults feel drinking is a *rite of passage* and think teen drinking and parties are the same as when they were young. Straight Up youth want parents to face the current realities and learn why and how we need adults to help change these dangerous social norms.

Adults will tour through a local home set up to portray a teen drinking party with youth actors voicing concerns expressed by local teens and young adults.

Reserve today! katherine@straightupvc.org or (805) 647-4622
